CWJC fosters spiritual,
personal, and
professional growth
empowering women to
transform their lives,
their families, and their
communities.

Christian Women's Job Corps equips, encourages, and empowers women to reach their goals and move out of poverty. Through professional development and educational opportunities like computer courses, financial development, and GED classes, CWJC is helping women thrive and impacting families for the better.

For our annual fundraiser, we would like to invite your business to contribute to our basket silent auction! Whether that's through a gift card, merchandise, or sponsoring a basket, each basket donation will be recognized and your business will be acknowledged at the auction table.

Christian Women's Job Corps of McLennan County is a 501c (3) organization; your financial or in-kind donation is 100% tax deductible.

OUR FUNDRAISER'S MISSION

Baskets of Hope is CWJC's annual fundraiser, supporting our programs. The event is in September, but the giving happens over many months in many ways. Contributions during this campaign allow CWJC to build the funding needed to continue our vital work; equipping women with hope, confidence, and practical support as they pursue New Beginnings for themselves and their families. Every dollar given goes directly to our programs and budget.
